- Total Debt of Rs. 627.2 million
 - Total Debt / Equity of 0.26x and Net Debt to LTM EBITDA of 0.68x

Management Perspective

“Continuing on the strong growth momentum we gained during last year, we are pleased to report that due to a sharp rise in Export and Domestic performance, the Company has recorded a significant growth in the first quarter. In addition, the Company has added new portfolio in the product line, regional areas and also marketing field staff. As a result of the overall strategic initiatives undertaken by the Company, the results are substantially improved. The Company expects a similar trend in the following quarters too. Lincoln Pharma has also discontinued the contract manufacturing for third parties due to low margin in such business, as a result of Company’s manufacturing profitability has increased significantly.

Going forward, we are very optimistic about our business outlook supported by a strong order book. Our investment in the R&D center is expected to contribute to the growth of the Company in the near term.”

Mr. Mahendra G. Patel, Managing Director

Consolidated Financial Performance

Spray

- **Progesterone spray**
 - Unique delivery system for accurate 25mg delivery of micronized progesterone/Spray
 - Formulation dispensed in mist form which provides local as well as systemic effect of Progesterone via vaginal route covering large area of vaginal cavity
 - Better patient compliance than vaginal tablets, capsules and painful intramuscular injections

- **Paracetamol 1000 mg programmed release tablet**
 - Unique bi layered proplet designed for programmed release drug delivery
 - 12 hours action with 30% IR and 70% SR release activity
 - BID with more patient compliance and is Hepato-friendly

- **Caroverine injection**
 - Sterile formulation for relief from Tinnitus
 - Tie-up with PHAFAG. AG (Switzerland)
 - Given through slow IV infusion
 - Aqueous technology

Key Recent Developments

- **Arteether injection 150 mg/ml**
 - Unique low-viscosity sterile formulation for malaria
 - Less painful and low volume (1 ml) IM formulation
 - Convenient patient administration
 - Patented technology

- **Namcold DX**

- First time in India: 'Extended Release' Oral Suspension
- The only liquid cough suppressant that works for upto 12 hours
- BID dose with more patient compliance
- Available in alcohol free delicious orange flavor

- **Domi Up Spray**
 - Meter dose pump
 - Each squirt (spray) accurately delivers 2 mg Ondansetron Hydrochloride
 - Faster onset of action
 - Prompt relief from nausea & vomiting
 - Convenient for patient over Injectable
 - Better patients compliance

This presentation contains statements that contain “forward looking statements” including, but without limitation, statements relating to the implementation of strategic initiatives, and other statements relating to Lincoln Pharmaceuticals’ future business developments and economic performance. While these forward looking statements indicate our assessment and future expectations concerning the development of our business, a number of risks, uncertainties and other unknown factors could cause actual developments and results to differ materially from our expectations.

These factors include, but are not limited to, general market, macro-economic, governmental and regulatory trends, movements in currency exchange and interest rates, competitive pressures, technological developments, changes in the financial conditions of third parties dealing with us, legislative developments, and other key factors that could affect our business and financial performance. Lincoln Pharmaceuticals undertakes no obligation to publicly revise any forward looking statements to reflect future / likely events or circumstances.
